

SERVICE CALL

When someone calls the AA phone, it is answered by you, a recovered alcoholic. They may be calling for general information, looking for a meeting, wanting to talk with a recovered alcoholic, or some other equally important reason.

The Telephone Answering Service (TAS) is looking for groups or individuals willing to volunteer for this valuable service on a monthly basis.

You are NOT required to go on a 12 step call, you are simply acting as an answering service to connect people with the information they need.

If you can help, email:

tas@lanarkleedsaa.org

or call
